

Supplementary file 6a (S6a): Forest plot for mortality heat cerebrovascular diseases

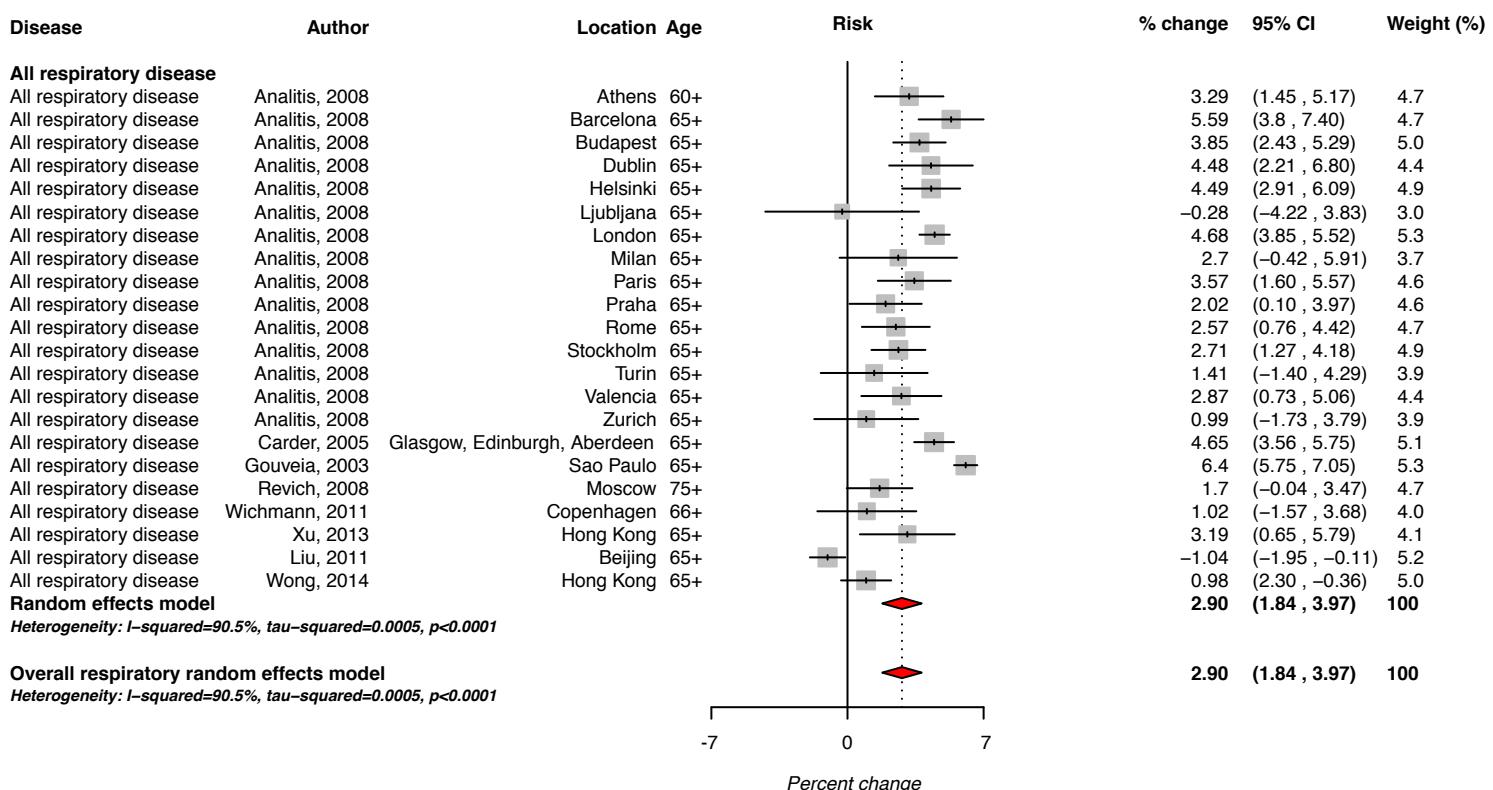

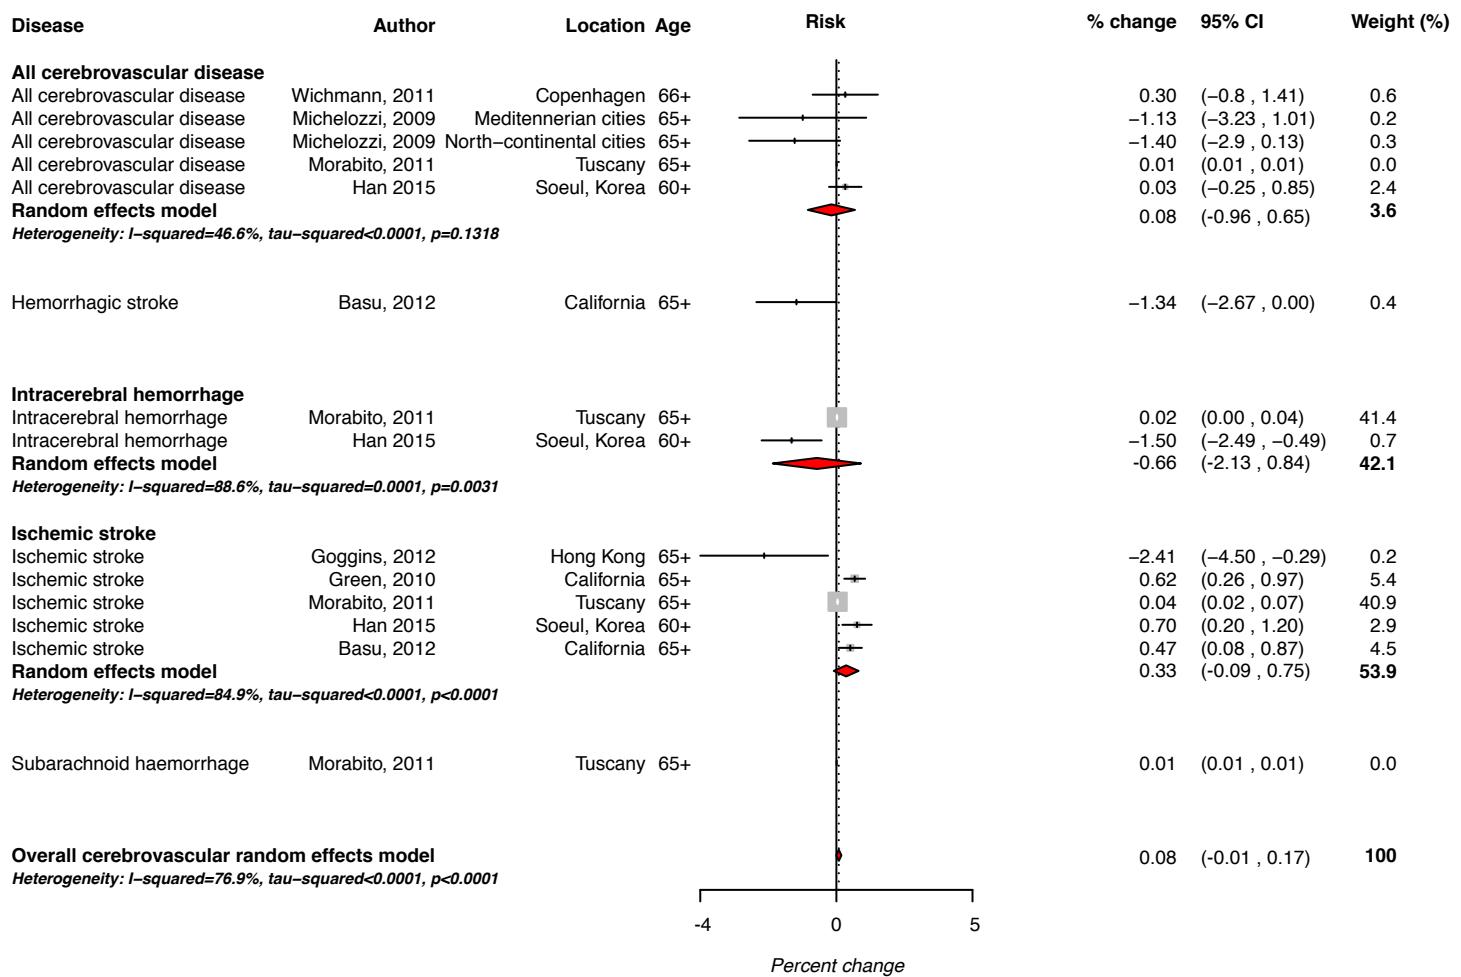

Supplementary file 6d (S6d): Forest plot for mortality cold cerebrovascular diseases

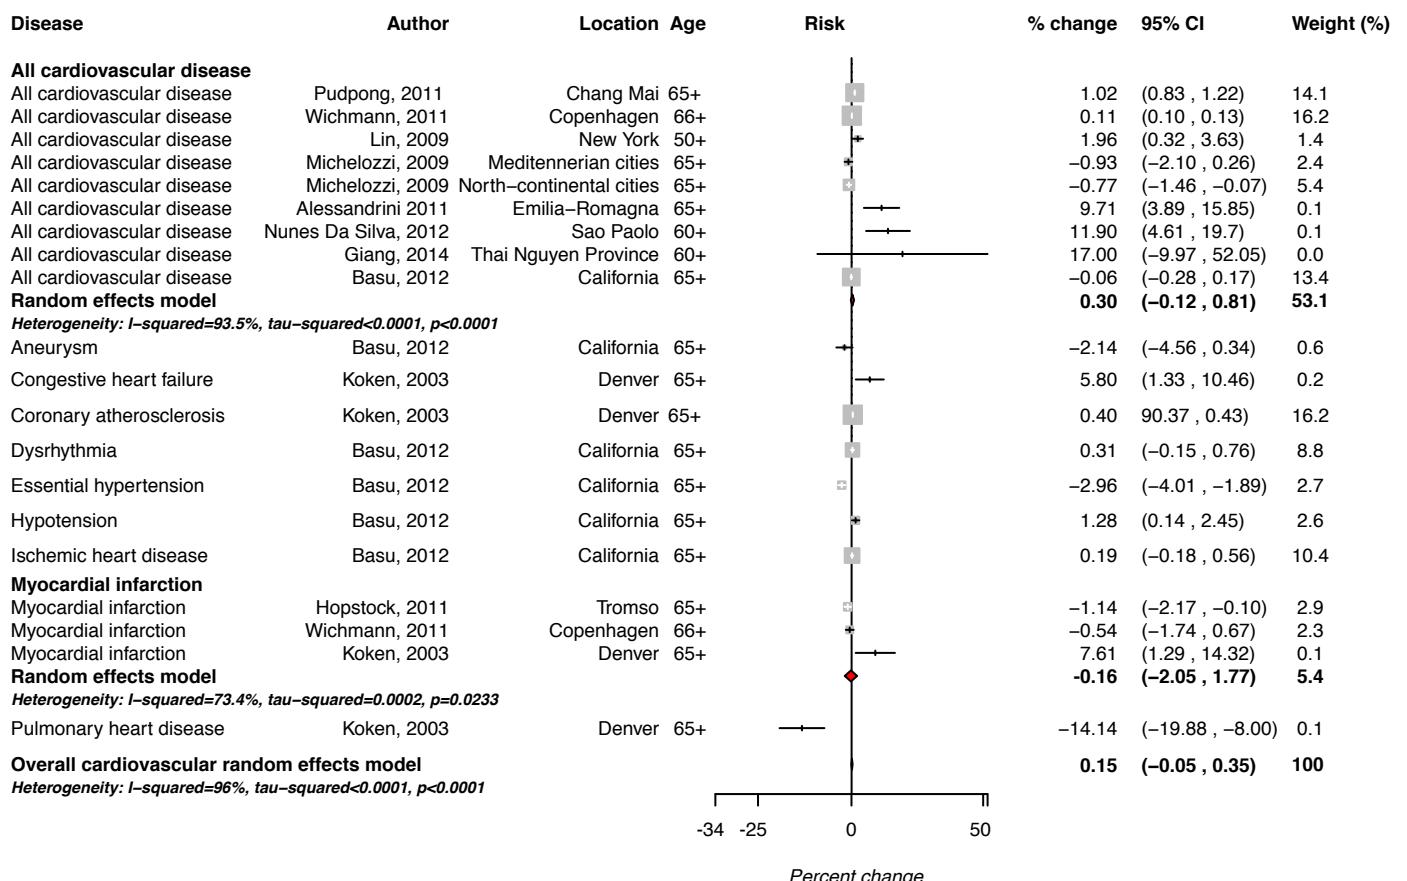

Supplementary file 6e (S6e): Forest plot for mortality cold cardiovascular diseases

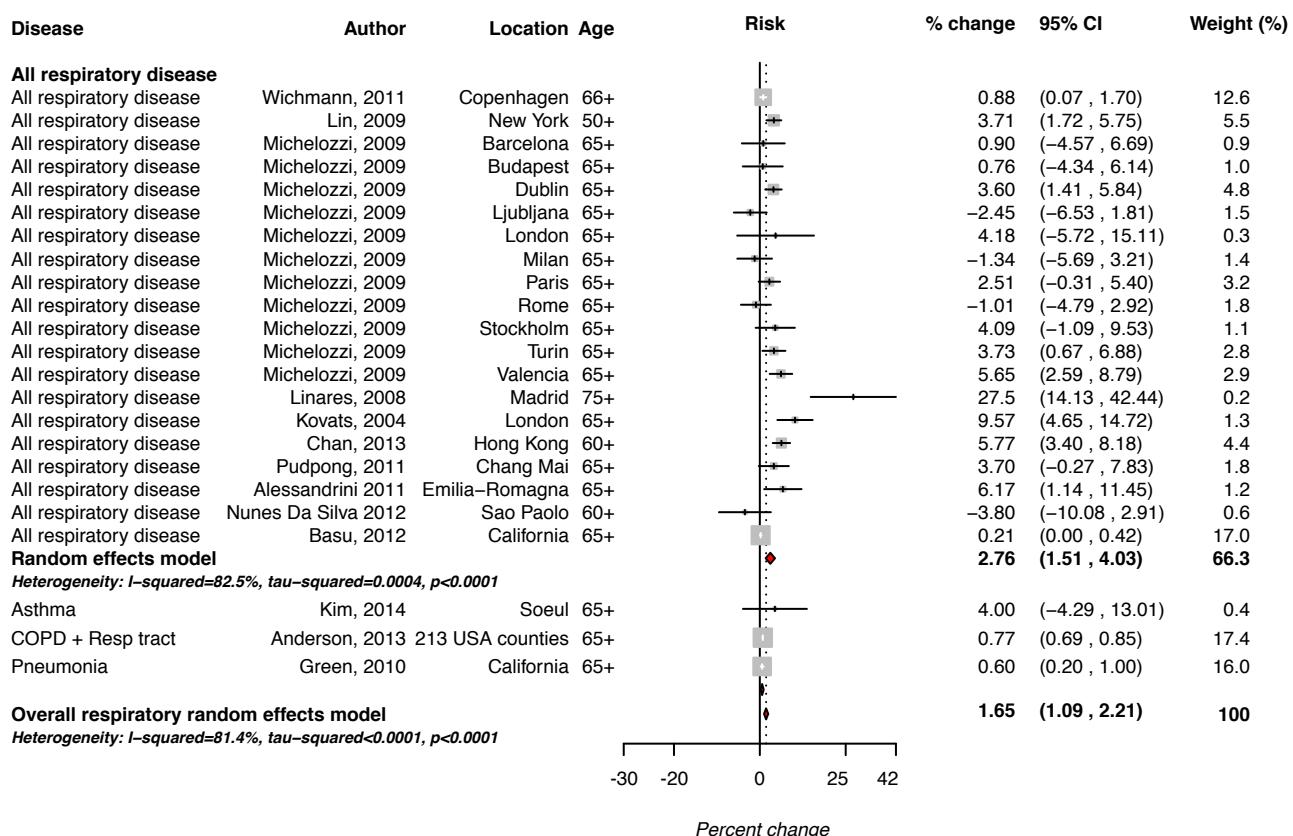

Supplementary file 6f (S6f): Forest plot for mortality cold respiratory diseases

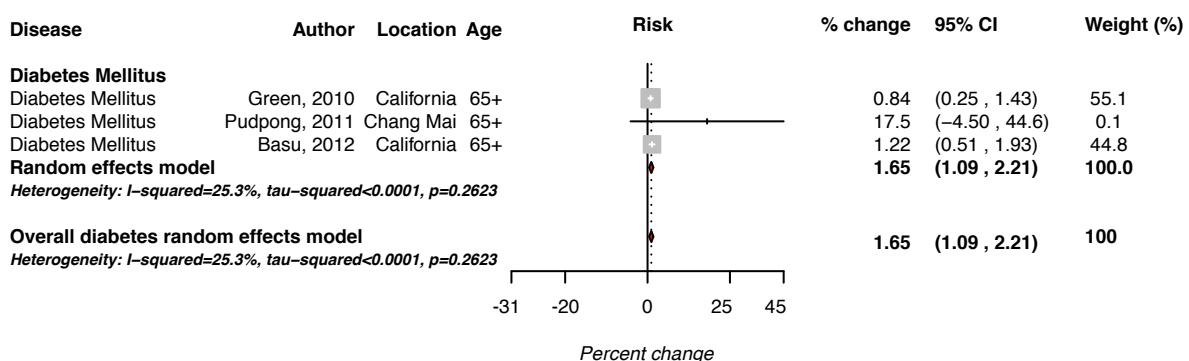

Supplementary file 6g (S6g): Forest plot for morbidity heat cerebrovascular diseases

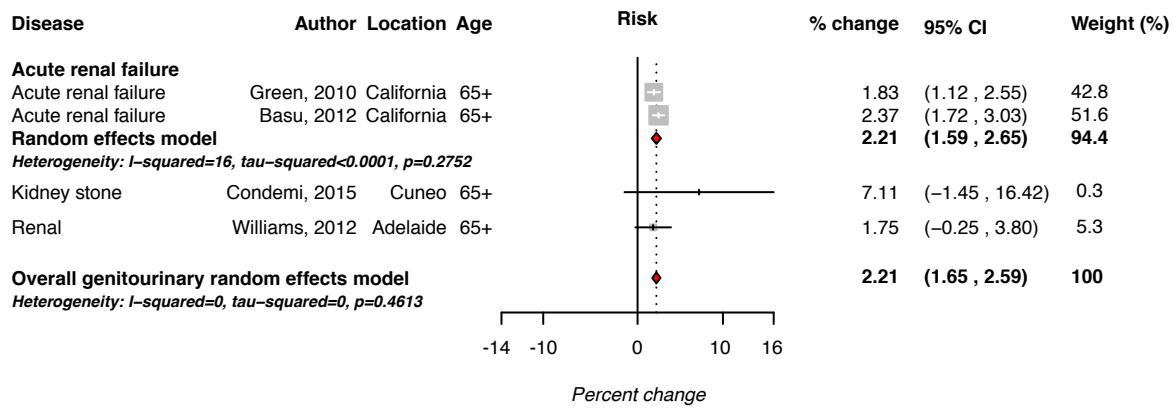

Supplementary file 6h (S6h): Forest plot for morbidity heat cardiovascular diseases

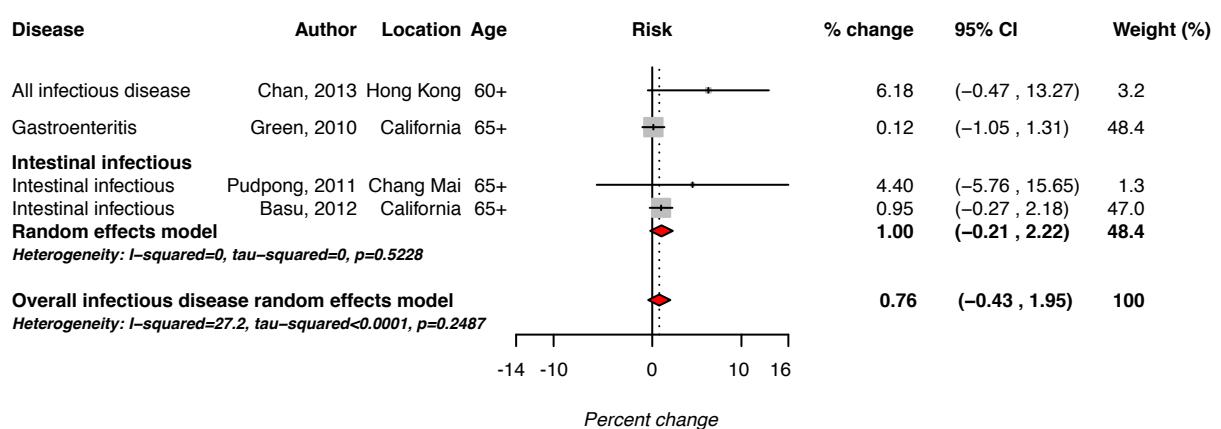

Supplementary file 6i (S6i): Forest plot for morbidity heat respiratory diseases

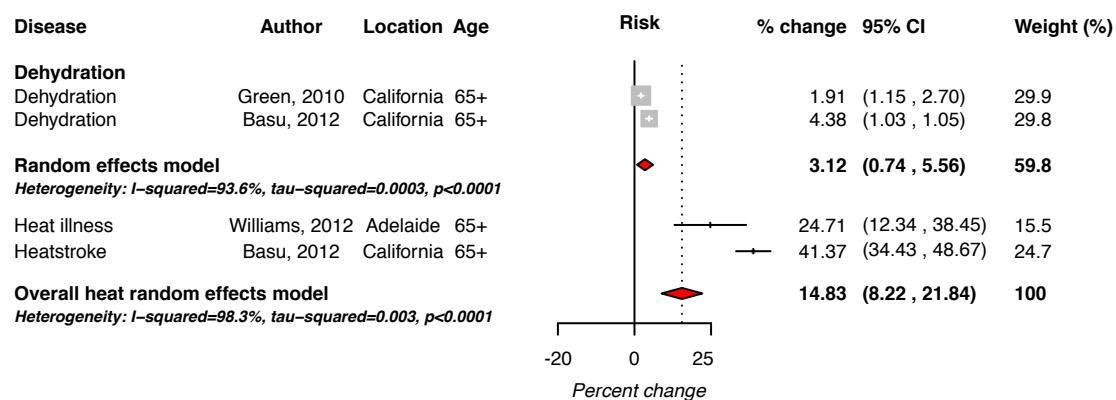

Supplementary file 6j (S6j): Forest plot for morbidity heat endocrine diseases

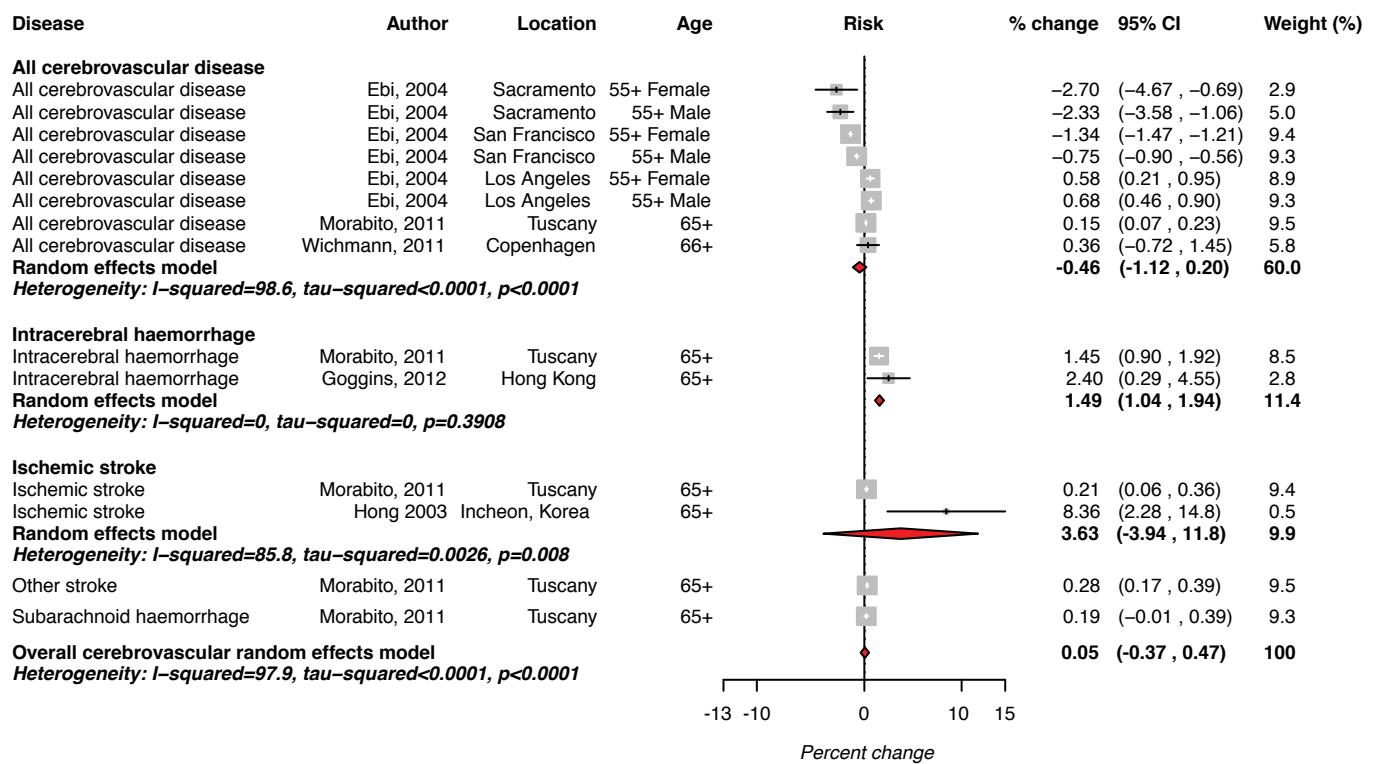

**Supplementary file 6k (S6k): Forest plot for morbidity heat genitourinary diseases**

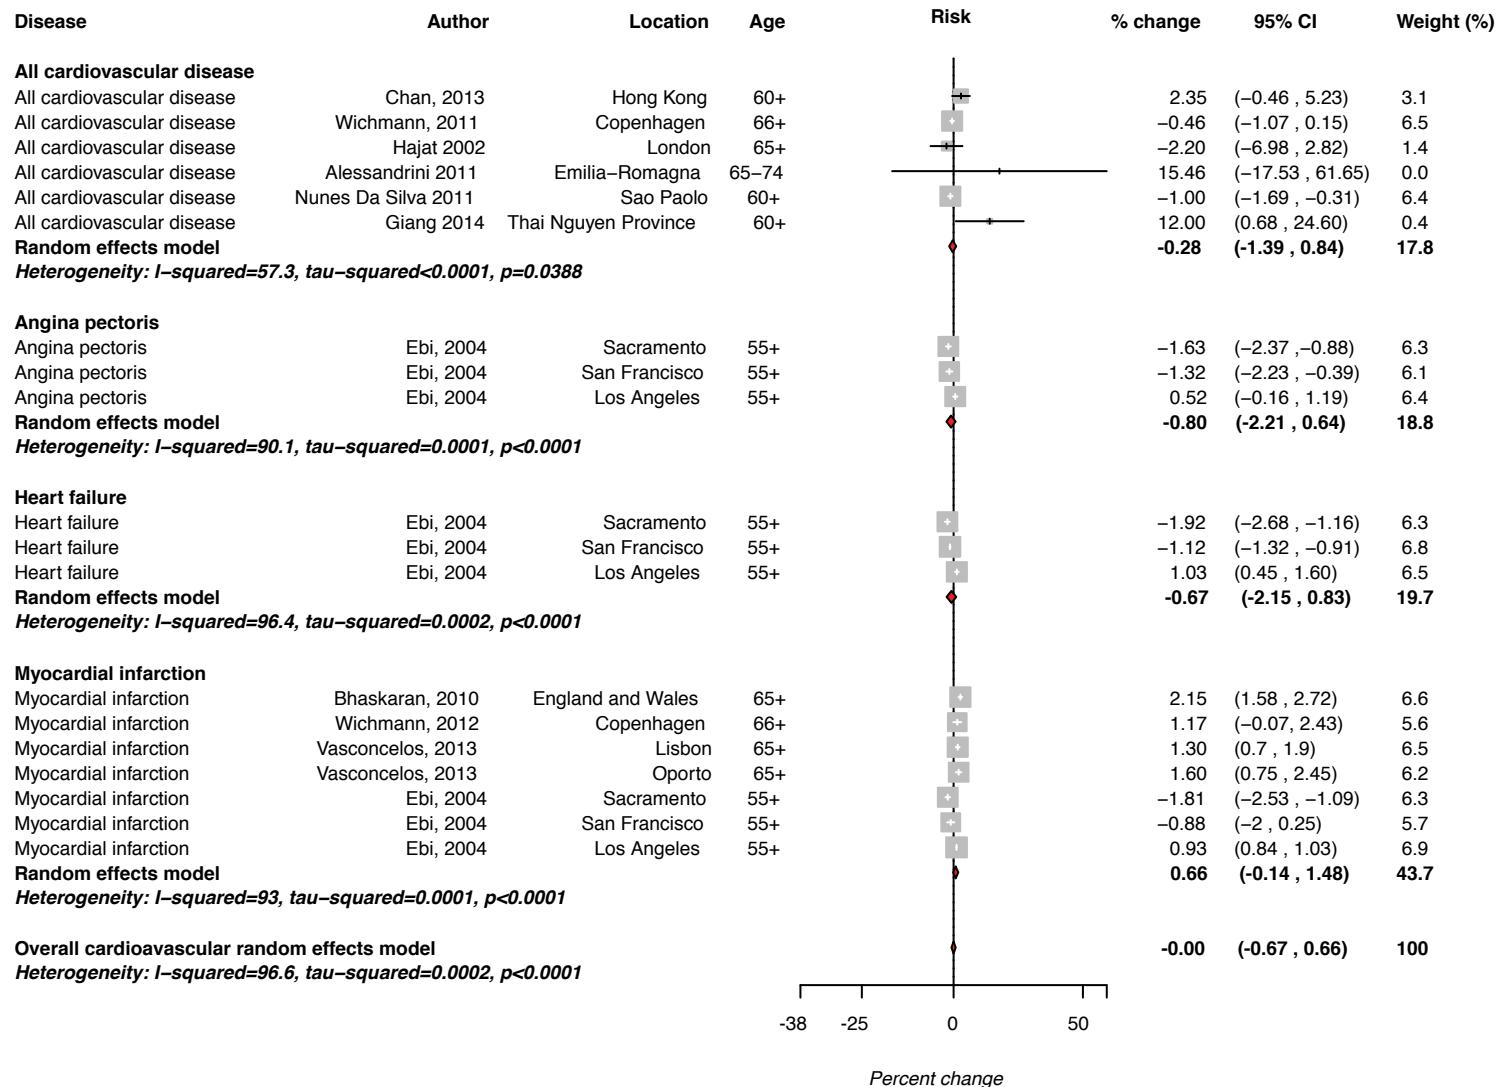

**Supplementary file 6l (S6l): Forest plot for morbidity heat infectious diseases**

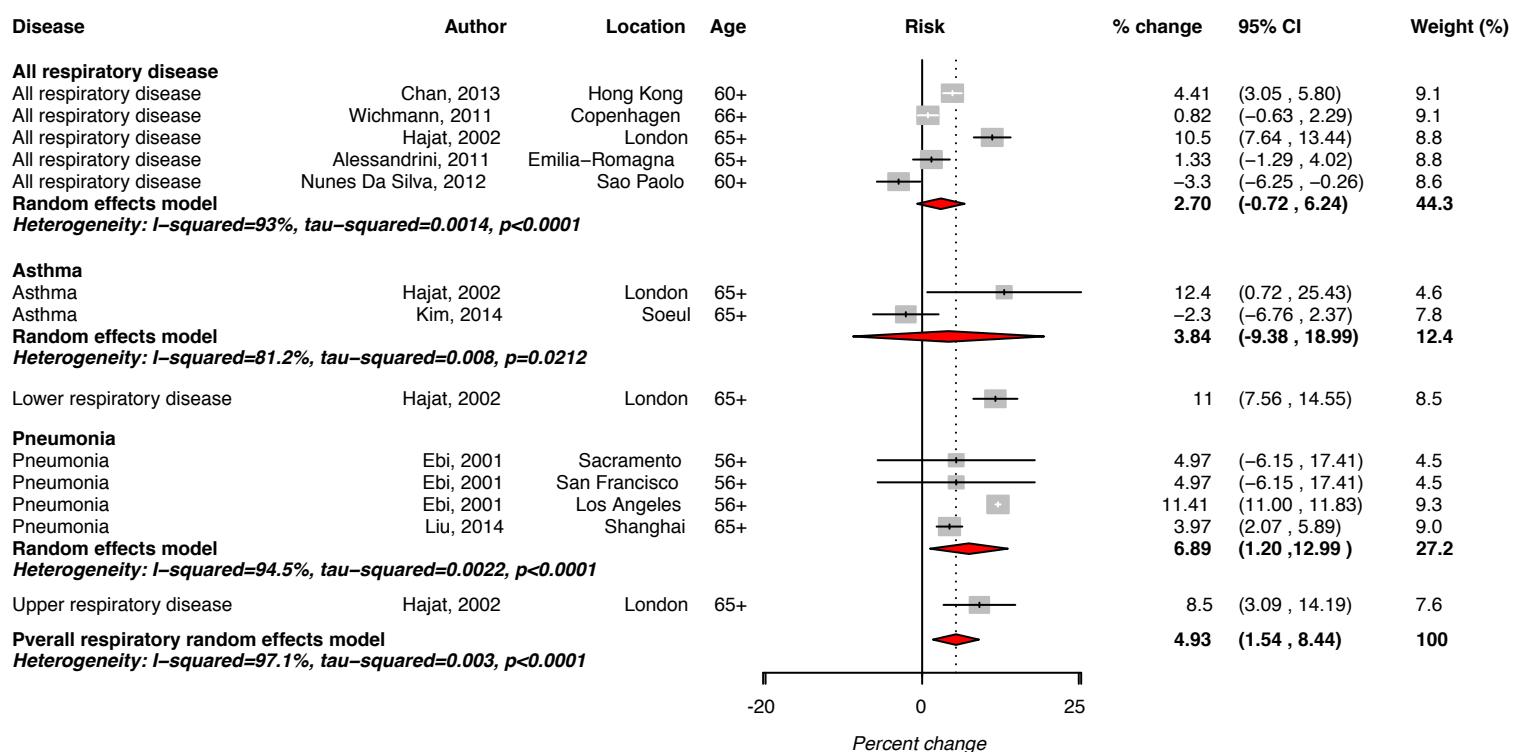

Supplementary file 6m (S6m): Forest plot for morbidity heat heat-related diseases

Supplementary file 6n (S6n): Forest plot for morbidity cold cerebrovascular diseases

Supplementary file 6o (S6o): Forest plot for morbidity cold cardiovascular diseases

Supplementary file 6p (S6p): Forest plot for morbidity cold respiratory diseases
